

HOW TO EARN CONTINUING EDUCATION CREDIT:

A Guide to Maximizing Your Education Opportunities

CE-TODAY offers opportunities for earning FREE continuing education (CE) credits.

STEP 1. Review the course content.

Below is the list of courses available for free CE credits that are included in this issue and on the companion CEonCD. These courses are offered without charge to qualified recipients of *CE-TODAY* and CEonCD. The FREE offer expires on July 20, 2005.

STEP 2. Complete the online challenge test and program evaluation.

To earn 6 free continuing education credits, visit www.np.ce-today.com to complete the online challenge test. Test results are immediate.

STEP 3. Print your certificate.

After you pass the exam, you can print a certificate documenting your completion of the coursework at www.np.ce-today.com.

Target Audience: This CE activity is designed for nurse practitioners as well as other healthcare providers who are involved in the diagnosis and treatment of patients with chronic pain.

Accreditation Statement: This program has been approved for 6 contact hours of continuing education (which includes 3.2 hours of pharmacology) by the American Academy of Nurse Practitioners, course number 0405216.

Accreditation Period: This program was initially published on July 20, 2004, and is eligible for credit through July 20, 2006. Frequently, additional accreditations and/or renewals to accreditation periods may be approved after publication. For the latest listing of accreditations, statements, and approval periods, please visit www.np.ce-today.com.
